11733 95th Avenue North • Maple Grove, MN 55369 • (763) 493-0099 • www.cmsitechnologies.com

Stand out in the market with a variety of foil material selections.

Adding foil to your label design will evoke consumer interest and draw the attention required to sell more of the product. The elegance and appeal of foil will distinguish your product from the competitor's and increase your overall market share.

Learn how to add security to your products by adding custom holographics to your TM image. Contact your sales representative for more information.
